TOWNSHIP
SCHOOL

Toot! Toot!

We're going places! When we consider the schools our parents had, only then do we realize how fortunate we really are. Prior to 1922 Portage School was no more than a two room building. In 1922 a six room building was constructed on the present site. In 36 years we have added several classrooms to the central building, built a gymnasium, shop, cafeteria, and a central heating plant. We may be proud of our new High School building, also, which is one of the finest in Western Michigan. In addition to the central building, we have 3 outlying elementary schools.

Five teachers taught the 183 students who enrolled in the fall of 1922. This is a far cry from the 83 teachers who are directing the 1,957 students in 1952. We've come far; there's a lot of "track" to cover yet but we're really rolling now!!

Nancy Nederhoed

Next Stop, ————??? Who knows what the next stop will be? It may bring joy or sorrow; work or pleasure; success or failure; and even life or death. Whatever the future holds for us, we can and will meet it with assurance and determination. We have proved ourselves in the past twelve years and God willing, we intend to prove our worth in the years to come.

We, the Seniors are venturing out into a world filled with decisions and destinations. We have in our hands the power to build or destroy men and nations. Let us hope we use this power wisely.

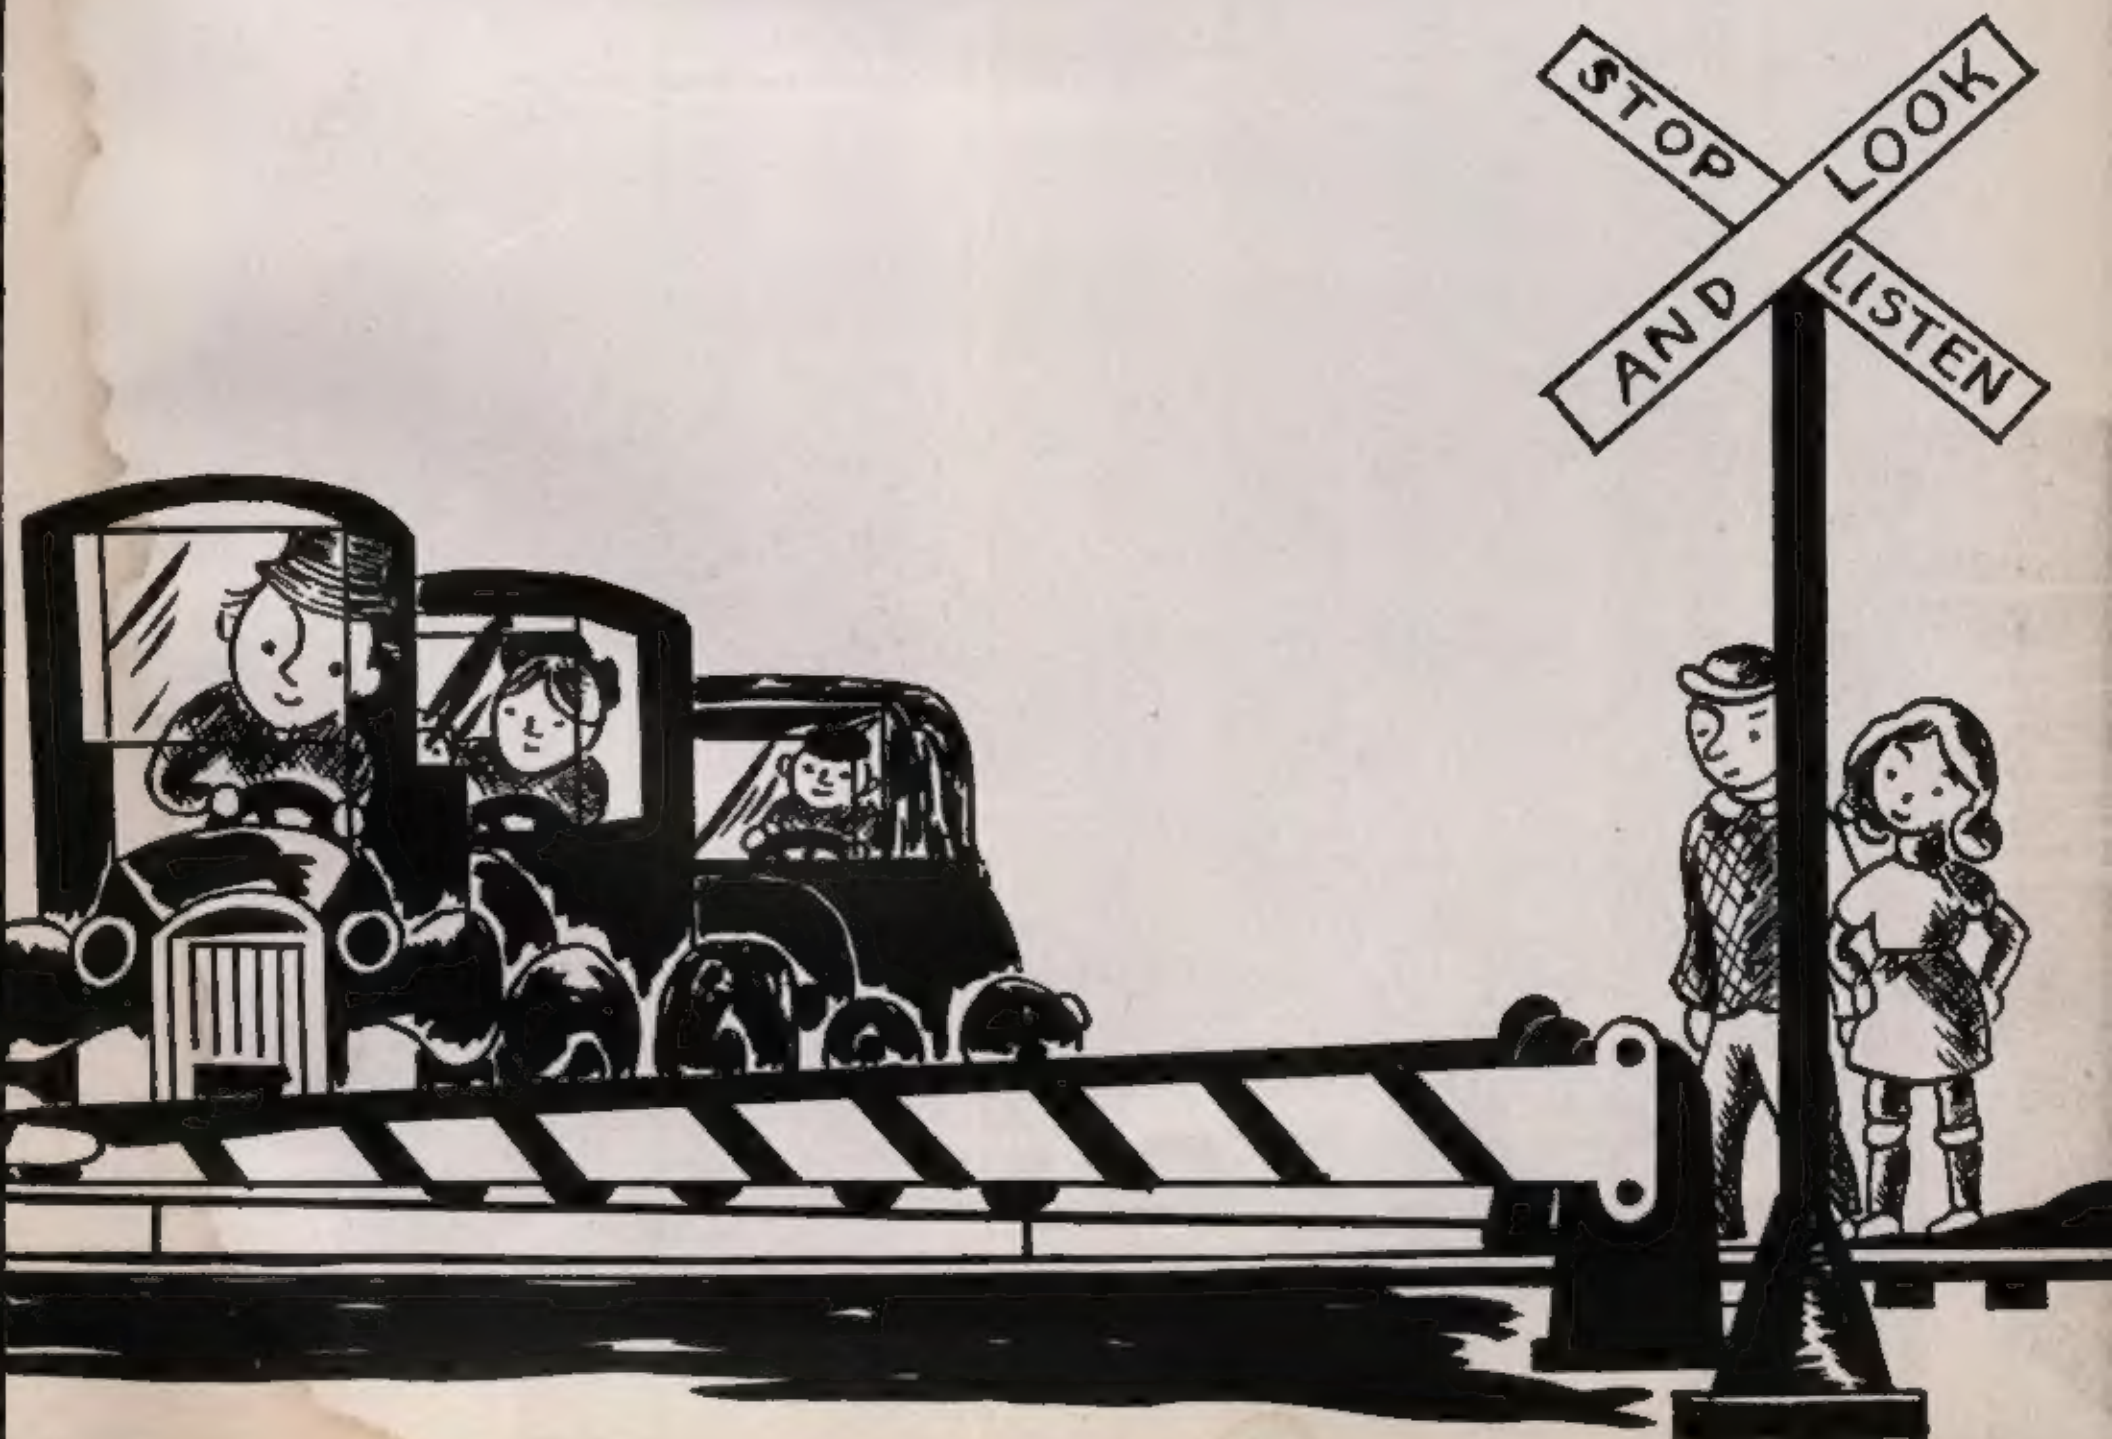

Whatever the future holds, we have many precious hours that time cannot take away from us. Memories are ours forever. Let us cherish them!

We will find a place or make one.

Next stop, the future!!

Nancy Nederhoed

We're Going Places!

Stuart McCamley

Throttle Wide Open

We dedicate our 1952 "Roundup" to Mr. Stuart McCamley, president of the school board. This is the sixth year our "Casey Jones" has had "his hand upon the throttle." With his able assistance our "station house" has expanded and grown into one of the most modern and beautiful schools in Southwestern Michigan.

Our hats are off to you, Mr. McCamley.

MR. WILKINSON

Mr. Wilkinson, Superintendent of our school, plans the "pattern of movement" for the Portage students. The "section hands" look to him as a "grab-rail" in times of stress. Everyone admires our "Engineer" for his understanding attitude and frankness. He "chugs" along from day to day that his "passengers" may have a safe trip.

Mr. Fred East, Assistant to the Superintendent makes certain the "crew" keeps the "roundhouse" shiny. "Fireman" East sees that the "coaches" are running smoothly and that incoming "baggage" is properly checked and delivered.

MR. EAST

Portage R.R. Inc.

SCHOOL BOARD

The "Stock-holders" of our corporation are continually working towards a bigger and better "Roundhouse."

Standing (left to right): Mr. Tony Schuring, Mr. Earl Wilkinson and Mr. Clair Branch. Sitting (left to right): Mr. Robert Warner, Mr. Stuart McCamley and Mr. Gardner Garlick.

Mr. Bekken carries on his Principal's duties as "Head Conductor" of our train. Seeing to the comfort and welfare of the 350 teen-age "passengers" is only a small part of his work. He keeps the "wheels rolling" in the right direction.

MR. BEKKEN

MR. WIELHOUWER

Mr. Wielhouwer, our Junior High Principal, joins us on the trip as "Second Conductor." This pleasant man has the admiration and respect of the Junior High "tramps." He is well known for his ability to get the "passengers" scheduled for the right "stops."

Conductors

MRS. BOCKSTANZ

Mrs. Bockstanz, "Chief recorder" for the "Second Conductor," makes sure all "passengers" reach their destination. She "hands out" information to worried and confused "so-journers." Dependable and alert she keeps the "rod-riders" from running through any "open switches."

Mrs. Betty Moran, the pleasant high school office secretary keeps the "records" straight for the "Head Conductor." Every traveler seeks her advice on their "schedules." Her chief task is "tracking" down and "checking tickets" on lost "hoboes."

MRS. MORAN

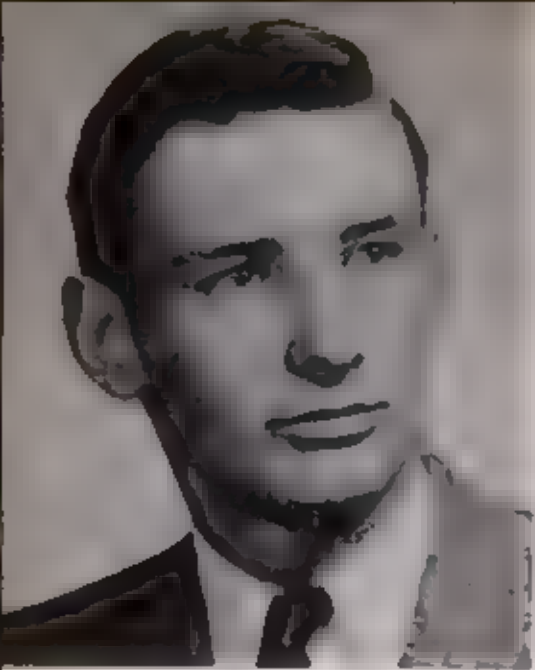

MRS. GARLICK

Mrs. Crystal Livingston, bookkeeper, and Mrs. Margaret Garlick, secretary, are the indispensable "gandy dancers" of the corporation. The "mail car" is "unloaded" and the checks are distributed to the "railroad hands" with efficiency and punctuality. They relay messages and supply helpful information to all "travelers." Always smiling and pleasant these two will gladly help you with any and all your problems.

Back row: Jo Korzilius, Donald Sager, Bruce Thoms; Bill Klein, Duane Sanderson, Ted Davis, Glenn Frye, Dick Post, Norm VanDyke.

Passing Scenes

The Seniors jumped aboard our "Portage Express" to "Go West, Young Man" with their director Mrs. Summers. These pictures capture some of the atmosphere of the play.

Journey Home

MR. SWETLAND

On this page appears all the unwritten and treasured memories of Joseph Swetland, a great guy.
